Information about your CIBC Dividend Visa Infinite Card account

If you find an error or irregularity (including possible unauthorized or fraudulent Transactions) in this statement you must tell us within 30 days of this Statement Date. If you do not, we may regard this statement as final (except for credits posted in error).

How we charge interest: If interest is charged on a Purchase, it is charged retroactively from the Transaction date. You have a minimum 21 day interest-free grace period for new Purchases. You can avoid interest on those new Purchases by paying your new balance in full by the payment due date.

Interest is charged on Cash Advances from the date they are taken. Interest is charged on Convenience Cheques and Balance Transfers from the date they are posted to your credit card account. We stop charging interest on the day we receive a payment which covers the amount of the Purchase, Cash Advance, Balance Transfer or Convenience Cheque, as the case may be, as described in the Application of Payments section of your CIBC Cardholder Agreement.

If you choose to convert an eligible Purchase into an Installment Plan, interest will be charged on that Installment Plan at the interest rate you agreed to at the time of conversion and in the manner set out in the Installment Plan Terms and Conditions.

Payment period extensions: If you didn't pay the Amount Due on your last monthly statement, we have extended your payment due date this month to give you extra time to make your payment. Interest will continue to accrue for the extended period. When we receive your

Amount Due, your payment due date will change back to your regular payment due date.

Your statement (including the Balance and Minimum Payment) only reflects Transactions that were posted as of the Statement Date. If you made a payment but it has not yet been posted, it will appear on your next monthly statement and any interest charges will be adjusted based on the transaction date and payment amount. The payment due date is determined under Eastern Standard Time (EST) meaning payments are considered received by us on the payment due date if made by 11:59pm EST. Payments made by mail or through another financial institution can take several days to be received by us. Please make your payments accordingly. Check CIBC Online Banking for the status of your payments and your most up to date Balance.

**Foreign currency Transactions, except Convenience Cheques, are converted to Canadian dollars on or after the Transaction date and no later than the Transaction posting date. At the time of currency conversion, you are charged the same conversion rate CIBC must pay, plus a fee of 2.5% of the converted amount, on both debits and credits. We convert a foreign currency Convenience Cheque or payment at our branch selling rate for Canadian dollars in effect at the time we process it.

¹ **Amount Due** is the amount you must pay if you want to avoid interest on your regular purchases shown on this statement.

² **Minimum Payment** is the minimum amount you must pay this month and it includes your monthly installment payments due (if applicable).

- C. The following new Section 16, Click to Pay, is added immediately after Section 15, Mobile and Contactless Payments, of the Agreement:

16. Click to Pay

- a) **Click to Pay Terms.** Click to Pay is a feature of your Card that allows you to make online purchases without manually entering your Card Details.

There are two components to Click to Pay:

1. the creation and management of your Click to Pay Profile containing your Profile Information (the "Click to Pay Profile Management Solution"); and
2. your use of the Profile Information and Click to Pay during online checkout, which includes the transmission of the applicable Profile Information from your card network to a participating merchant to process an e-commerce transaction at checkout.

These terms apply only to the Click to Pay Profile Management Solution component of Click to Pay.

- b) **Click to Pay Checkout Terms.** Your use of Click to Pay during online checkout is governed by separate terms of use between you and your card network.

- c) **Click to Pay Enrollment.**

1. Your Card is eligible to be enrolled in Click to Pay if:
 - you are a Cardholder and your Card is eligible to be used with Click to Pay;
 - you are at least 14 years of age;
 - we have received from you all Profile Information required to enroll your Card in Click to Pay with your card network.
2. If you meet the eligibility criteria set out in section 16(c)(1), when your Card is activated, we will automatically share your Profile Information and Card Details with the applicable card network, for the purposes of enrolling your Card in Click to Pay.
3. If you are not eligible to have your Card enrolled in Click to Pay at the time your Card is activated, but you become eligible at a later date, you can enroll your Card in Click to Pay through CIBC Online Banking or CIBC Mobile Banking.
4. We will use the Profile Information we have in our records to enroll your Card in Click to Pay. You can view the Profile Information we have sent to your card network through CIBC Online Banking and Mobile Banking. You are responsible for maintaining up-to-date and accurate Profile Information with us.
5. **Authorized Users.** As the Primary Cardholder, you authorize CIBC to use the Profile Information we have on file to enroll Authorized User cards in Click to Pay. You also confirm that you have informed the Authorized User of their enrollment in Click to Pay. Authorized Users may view and manage Click to Pay enrollment for their own card, including opt out, through CIBC Online Banking or CIBC Mobile Banking or by calling us.

- d) **Transactions Using Click to Pay.** While Click to Pay facilitates the Transaction between you and a merchant, CIBC and your card network are not parties to the Transaction. A payment to or from a merchant in connection with your use of Click to Pay, including the purchase or return of goods or services, is solely between you and the merchant.

- e) **Card Expiry and Replacement.** If we replace your Card at any time (such as due to card expiry or it being lost or stolen) and the Card is enrolled in Click to Pay, CIBC will automatically update your Click to Pay Profile and send your new Card Details to your card network.

- f) **Card Network-Offered Click to Pay.** If your Card is already enrolled under a Click to Pay profile you created directly with your card network, your Card may be removed from that Click to Pay profile.

- g) **Changes to Click to Pay.** CIBC reserves the right to discontinue the Click to Pay Profile Management Solution, at any time without notice and without liability to you.

- h) **Removing your Card from Click to Pay.** If you would like to remove an enrolled Card from Click to Pay, you may do so at any time through CIBC Online Banking or CIBC Mobile Banking or by calling us.

- D. The following new paragraph (f) is added to Section 22, Your Privacy, immediately after paragraph (e) of the Agreement:

f) To enable the Click to Pay feature on your Card, you consent to CIBC sharing your Profile Information and Card Details with your card network, and to your card network sharing your Profile Information and de-identified Card Details with participating merchants, as may be reasonably necessary to process Transactions. The use of your Profile Information in the Click to Pay online checkout will be subject to the applicable terms and conditions and privacy policies of your card network and participating merchants. Your consent is optional, and you can opt out at any time by removing an enrolled Card from Click to Pay through CIBC Online Banking or CIBC Mobile Banking or by calling us.

- E. The following new definitions of Click to Pay, Click to Pay Profile, and Profile Information are added alphabetically to Section 24, Definitions:

Prepared for: CHRIS RYAN LEON April 26 to May 25, 2026 Account number: 4500 XXXX XXXX 0154
